BRIEF ABSTRACT OF LETTER.

Forwarding duly verified the proposition Statement in duplicate relating to the revision of the Govt Press at Bangalore & Mysore together with the Letter No. 4722 C/26 6/22 from the Supdt Govt Pr.

NOTES AND ORDERS.

The appointment of a superior class of foremen on better pay was sanctioned at the suggestion of the Committee appointed to enquire into the Internal Administration of the Press. (Vide paras 3, (v) & (vi) & 4 (b) of G O No. 1989-93 / C.B. 196-20-11 dt 6.10.1921)

/ The Supdt accordingly proposes to Consti tute a batch of 11 foremen (9 here & two at Mysore) as against the existing 14 men (12 here, ~~two of which being vacant~~ & 2 at Mysore). Two of t being now Vacant. (2 on Rs 345/-). This rearrangement effects a Saving of of Rs 4 per mensem.

2) The above reduction of three hands in the Composing, Binding & Machine branches as proposed to be made up by the addition of tw hands to the proof; by transfe the highly paid O.S. Examiner on Rs 8 to the Composing branch & adding o three more examiners [(30) & 2(25)] ~~the~~ thereby effecting a Saving of Rs. 7/- per mensem.

3) The only objectionable feature of the proposals is the addition of two hands to the proof branch which ha already on its staff 16 Examiners & 12 Readers. It is a point for consideration whether such an

addition is necessary now when ~~the~~ Considerable reductions in printing work are under Contemplation. In this Connection attention is invited to the Supdt's Inspection report of his office & the orders of Govt. thereon.

4) Financial Considerations would perhaps point towards ~~utilising~~ the existing 2 vacancies for reducing the number of hands, if there is not need for so many ~~more~~ fore men in the Composing branch.

5) The Concurrance of the Finance dept is necessary for increasing the strength of the Proof Branch be two hands.

6) Subd for orders.

It is a point for consideration whether further addition of any Section may not be postponed in view of the intention of Govt to get the Press examined by an expert.

With reference to the Members minute dated 22-7-22 it is submitted that the office note dated 26-7-22 is not quite correct. The mistake is regretted. The hands proposed for the Proof-reading section are those to be transferred from the Composing Branch and not those to be newly appointed. A corresponding reduction in the number of hands is also proposed.

The proposals of the Superintendent are calculated to effect savings and increase the pay of the existing staff and may be sanctioned.

Sir,

Adverting to para 4 (5) of G. O. No. 1989-93/C.B. 196-20-11, dated 6th ~~June~~ 1921, approving the proposals of the Committee in regard to the appointment of a superior class of Foremen on better pay, as vacancies occur among the present Foreman, I have the --- honor to state that two vacancies ~~of~~ Rs: 45/- each having occurred by the death and retirement respectively of two Foremen in the Central Press and Branch Press, I have availed myself of the --- opportunity to give effect to the intention of the Government Order by effecting a re-adjustment of men and salaries involving no extra cost to Government as shown in the proposition statement appended to this letter. The proposals embodied in the proposition statement are summarised as follows:--

(1) The Deputy Examiner of the Proof Branch who is drawing Rs: 87/- and who belongs to a superior order of Foremen will be taken back to the working branch and will be designated as Head Foreman on Rs: 90/-.

(2) The Machine Foreman who draws Rs: 77/- is recommended for Rs: 80/-.

(3) The Head Binder who draws Rs: 50/- is recommended for Rs: 55/- under the designation of Binder's Foreman.

(4) Out of the Existing 10 Foremen in the Composing Branch, 6 deserving men will be given a promotion of Rs: 5/- each, the remaining 3 being drafted to the Proof Branch against the Deputy Examiner's vacancy.

The net result of these proposals will be that out of the existing 13 hands costing Rs: 544/- per mensem, there will be 12 hands costing Rs: 540/- per month, thereby effecting a saving of Rs: 4/- per mensem.

(5) As the Establishment ~~of~~ at the Branch Press is small, as it consists of only 32 Compositors and 14 Binders and Machinemen, a highly paid Foreman is found unnecessary, and consequently the present designation of Foreman on Rs: 67/- has been changed as Composing Foreman on Rs: 40/-. The present incumbent will however draw a pay of Rs: 40/- plus Rs: 30/- as personal allowance.

The designation of Assistant Foreman on Rs: 45/-, which is now vacant, will be changed ~~as~~ to Machine and Binding Foreman on Rs: 30/-. This proposal will result in a saving of Rs: 12/- per mensem.

I request that these proposals may kindly be sanctioned with effect from 1st July 1922, as they involve no extra cost to Government and as they are essential in the interests of efficiency work in both the Presses.

I have the honor to be,
Sir,
Your most obedient servant,

Superintendent,
Government Printing.
